Chris-

My meeting with the UST group has been rescheduled for Thursday, February 27 at 10:00 AM.

We may want to discuss Clean Harbors before that, because they are planning to start construction on an interim remedial action on February 15th. Do you all have time for a conference call sometime next week? I am open all week except for a conference call on Wednesday the 12th from 1:00 to 2:30 and a conference call on Thursday the 13th from 11:30 to 1:00. I could also come over to Topeka to meet with you if you prefer.

Thanks.

Let me know when you plan to reschedule your mtg with BWM and we'll try to set up something to discuss Clean Harbors.
